

AMRDO
PAKISTAN

**AL-MEHRAN RURAL
DEVELOPMENT ORGANIZATION**

Serving at the grassroots level by empowering deprived rural communities, with a focus on women and children, through education, health, poverty reduction, Climate resilience, and initiatives to foster respect for their dignity, justice, and equity, and to improve the quality of life for all.

OUR HISTORY & BACKGROUND:

Al Mehran Rural Development Organization (AMRDO), a nationally recognized non-governmental, non-profit organization, was founded in 1998 and registered under the Societies Act XXI of 1860 (Registration No. 5194). AMRDO serves marginalized rural communities in Sindh, addressing health, nutrition, education, food security, water and sanitation, gender equality, sustainable agriculture, climate change, disaster management, and youth empowerment. It promotes sustainable livelihoods and community-driven development. Additionally, AMRDO offers consulting services to NGOs, national firms, and the corporate sector in logistics, training, data collection, monitoring, mentoring, and project evaluation.

OUR GEOGRAPHICAL SPREAD:

AMRDO operates across 21 districts, extending its initiatives to some of the most underserved regions in Sindh and parts of Balochistan. The organization's outreach covers Hyderabad, Jamshoro, Thatta, Sajawal, Badin, Tharparkar, Mirpurkhas, Tando Muhammad Khan, Tando Allahyar, Matiari, Shaheed Benazirabad, Qambar Shahdadkot, Larkana, Kashmor Kandhkot, Shikarpur, Jacobabad, Jafarabad (Balochistan), Dadu, Umerkot, Ghotki, and Khairpur. This extensive coverage enables AMRDO to address the diverse needs of communities, fostering sustainable development and inclusivity across these districts.

SINCE 1998 – 2024

AMRDO has positively impacted the lives of millions of individuals, both directly and indirectly, through its comprehensive initiatives in inclusive health, humanitarian response, education, shelter provision, poverty alleviation, youth empowerment, disaster preparedness and response, environmental and climate action, human resource development, educational surveys and research, and emergency interventions.

AMRDO IN PAKISTAN SINCE 1998:

With its presence in Pakistan since 1998, AMRDO's thematic programs focus on community infrastructure, access to clean water, sanitation, education, health, youth empowerment, agriculture, disaster response, and environmental preservation. Significant accomplishments include the construction of 6,000 meters of streets, 4,200 meters of drains, 2,360 one-room shelters, 125 two-room shelters, 22 mosques, and 25 kilometers of CC block roads. In water access, AMRDO has installed 2,580 shallow hand pumps, repaired 50 wells, and set up 345 underground water tanks and 440 Nadi filters. The organization has provided health awareness to 12,300 households, distributed 11,500 hygiene kits, and organized 78 health camps. Its education programs have enrolled over 13,500 students and trained 1,990 youth in technical skills like embroidery, sewing, and IT. Through microcredit and agricultural initiatives, AMRDO has distributed livestock, poultry, and seeds, benefiting 5,910 households. In disaster response, it has supported over 30,500 families with food items and rehabilitated 560 shelters. AMRDO also spearheads environmental projects, such as solar-powered solutions and sustainable land management, in collaboration with donors like UNDP-GEF. By fostering inclusivity and sustainability, AMRDO continues to uplift communities, ensuring a brighter future for Sindh.
